March 12, 2024 BOW Agenda

To: Board of Works and Safety  
Mayor Guy Titus

From: Rob Souchon – IT Manager

I respectfully request board approval for the following agenda item:

1. Request approval for personnel hiring recommendation of Sean Taylor
2. Request approval to purchase the Sophos products and services from Insight for \$50,436.16. The city's current Sophos subscription for Managed Detection and Response for Endpoints and Servers will be renewed for an additional 3 year term. The quote also includes additional Sophos products we are requesting approval to purchase at a 3 year term. These products are Sophos Central Mobile Advanced, Sophos Central Network Detection and Response and Sophos Central Back-up and Recovery. Each of these products will add additional layers of protection to the City of Greenfield's Cyber Security Defense. Insight is the current provider of the City of Greenfield's Sophos Contract.
3. Request approval to purchase equipment enclosures for the new Greenfield Wastewater Plant from Altelix for \$5,826.58. The enclosures will be paid for with funds from Wastewater and will be used to protect IT equipment from environmental elements.
