Re: Replacement Road Plates

Mayor and Board Members,

Our current road plates that we use to cover road patches are in need of replacement. We requested quotes from three vendors, United Rentals, Sun Belt Rentals, and MacAllister Rentals. The 3 quotes are summarized here:

	1"x6'x10' Steel Plate	Quantity	1"x8'x10' Steel Road Plate	Quantity	Lifting Tool	Freight	Total
United Rentals	\$ 3,100.00	1	\$ 4,133.00	2	\$ 151.00	\$1,200.00	<b>\$12,717.00</b>
Sunbelt Rentals	\$ 3,357.53	1	\$ 4,476.71	2	\$ 310.44	\$ 240.00	<b>\$12,861.39</b>
MacAllister Rentals	\$ 4,352.72	1	\$ 5,062.00	2			<b>\$14,476.72</b>

\*\*The quote from MacAllister Rentals did not include a cost for the lifting tool or freight.\*\*

At this time, I am requesting that the Board approve the low quote from United Rentals in the total amount of \$12,717.00 for 1 – 1"x6'x10' and 2 – 1"x8'x10' steel road plates, 1 lifting tool, and shipping. All 3 quotes have been included for your review. Please let me know if there are any questions regarding this request or if any other information is needed at this time.

Best Regards,
