Re: Authorization to award quote

Mayor and Board Members,

The Water Utility has received Sourcewell Quotes for the purchase of a new Caterpillar 308 mini excavator with quick attachment capability with attachments (Thumb, Coupler, Buckets [18", 24", 36"]) would be the best fit for the Utility. We are hopeful that we may be able to get the machine quickly if it is in the vendor's inventory.

I request the Board of Works approve the Water Utility to approve the Sourcewell quote for 308 Caterpillar mini Excavator with attachments from MacAllister for \$158,357.21 as presented today.

I welcome any questions the Board may have on this request.

Respectfully Submitted,
