Re: Security Rider Agreement

Mayor and Board Members,

The initial security agreement with Nelson Alarms was approved on July 12, 2022. During a walk-through prior to installation with Erikk Knapp, Nelson Alarms technician discovered that our current agreement did not include several of our existing strobes and detectors throughout the building. In addition, Erikk recommended that we add detectors and/or strobes to five additional areas within the building as described in the rider agreement. Unfortunately, the current alarm system is at the end of the service life, parts are no longer available and batteries must be special made.

Therefore, I am requesting that the Board approve the Nelson Alarm Security Rider Agreement for the amount of \$10,778.00. This change will bring the total agreement price to \$16,390.00 with installation scheduled to be completed on June 28, 2023.

Respectfully,

Jane Webb
