**Notes:**

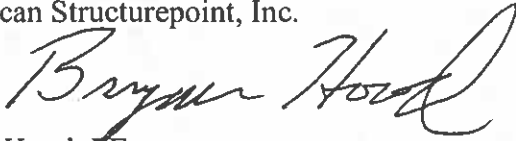

1. The bid had one or more math errors. The bid amounts listed above reflects the corrected total from the Bid Form.

Corrections due to mathematical errors were found during the review of bids. The errors did not change the low bidder.

The bid submitted by Insight Pipe Contracting, LLC, was reviewed for compliance with all the submittal requirements. It was found that all necessary bid documents were included and properly executed. Therefore, the bid from Insight Pipe Contracting, LLC was determined to be responsive. We recommend the City of Greenfield award a contract for the Waterview Sanitary Sewer System Lining Project to Insight Pipe Contracting, LLC, as the lowest responsive and responsible bidder at the unit prices submitted with the Total Unit Price Bid of \$ 1,151,879.00.
