Greenfield, IN 46140

Re: Greenfield Wastewater Utility – Waterview Sanitary Sewer Lining Project Award

Mayor and Board Members,

At the July 11, 2023 meeting of the Board of Public Works and Safety, bids were received and opened for the Waterview Sanitary Sewer Lining Project. A total of 6 bids were received, but only 5 of them met the minimum state qualifications. The five qualified bids are summarized as follows, as well as in the attached recommendation letter and bid tabulation:

Bidder	Base Bid	Base Bid + Mandatory Alternates
Inliner Solutions	\$729,612.50	1,308,320.00
Miller Pipeline	\$588,108.75	\$1,221,931.25
SAK Construction	\$637,631.50	\$1,217,471.50
Insituform Technologies, LLC*	\$633,175.30	\$1,311,124.53
Insight Pipe Contracting, LLC	\$539,876.00	\$1,151,879.00
Engineer's Estimate	\$600,155.00	\$1,173,955.00

It is recommendation of American Structurepoint, Inc., that the bid from Insight Pipe Contractors, LLC be accepted as the low, responsible, responsive bid for the Waterview Sanitary Sewer Lining Project.

At this time, I am requesting that the Board accept the recommendation from American Structurepoint and award the project to Insight Pipe Contractors, LLC for the Total Base Bid with Mandatory Alternates in the total amount of \$1,151,879.00. A copy of the recommendation letter and certified bid tabulation have been included for your review. Please let me know if there are any questions or if any other information is needed at this time

Best Regards,
