Why Hoosier Security

We pride ourselves in being a local security provider and chances are you'll end up knowing most of our team by name. We approach every customer with the same goal in mind, to propose the solution that makes the most sense for your problems, not a cookie cutter one size fits all quote. Our technicians and sales engineers attend the largest industry trade shows every year and receive the latest in security education ensuring we use current and proven technology in solving your problems.

Our Immutable Laws

- No Interpretation Required
- We speak plainly, openly, honestly, and bluntly. We say what we mean and mean what we say
- Find it & Fix it – The problem is our enemy. Dig deep enough to find it, then fix it – always.
- Corners Have Rights – We respect corners and we don't cut them.
- Simply Effective – Sometimes the best solution is the simplest one. Always seek out the best solution.

Hardware

Description	Price	Qty	Ext. Price
<p>AC-LSP-16DR-MER-LCK LSP 16 Door merc Dual volt Integrated Power sys</p> <p>16 Door merc Dual volt Integrated Power sys supporting one AC-MER-CONT-2DR with seven AC-MER-CON-MR52 (merc hardware sold separately). The advantage of a dual volt power supply is the ability to power merc boards and door locks. Includes a painted steel enclosure; removable pre drilled back plate; controller standoffs and mounting screws. sys includes one 150 watt 12V/12A pre-wired to 16 Class 2; Power Limited (CL2PL) outputs (2 D8P Boards) delivering regulated independent power connection to each merc board and one 250 watt 24V/10A power supply-battery chargers pre-wired to 16 fused output (2 C8 Boards) for independent relay lock power. Both power supplies features dual outputs (12 & 24volts DC); form 'C' fault relay contacts; a fire alarm input and ne2rk interface (interface module sold separately) to enable monitoring; reporting and control of the power sys from ACM (ACM) link. Cabinet size: 20" x 24" x 6.5" with door lock and 2 (2) keys. W8 26 lb.(LSP Part Number: FPO150/250-2C82D8PE4M1)</p>	\$1,516.23	1	\$1,516.23
<p>AC-LSP-2DR-MER-LCK LSP 2 Door merc Dual volt Integrated Power sys</p> <p>2 Door merc Dual volt Integrated Power sys supporting 2 AC-MER-CONT-1DR or one AC-MER-CONT-2DR (merc hardware sold separately). The advantage of a dual volt power supply is the ability to power both merc boards and door locks from the same supply. Includes a painted steel enclosure; removable pre drilled back plate; controller standoffs and mounting screws and a 75 watt 12V/2A and 24V/2A power supply-battery charger. The power supply is pre-wired to 4 Class 2; Power Limited (CL2PL) outputs (C4P Board) delivering a regulated independent power connection to each merc board and lock power and control. The power supply features dual outputs (12 & 24volts DC); form 'C' fault relay contacts; a fire alarm input and ne2rk interface (interface module sold separately) to enable monitoring; reporting and control of the power sys from ACM (ACM) link. Battery space for 2 12V; 8Ah batteries is available in cabinet (unless using 2 AC-MER-CONT-1DR). Cabinet size: 12" x 14" x 4.5" with door lock and 2 (2) keys. W8 14 lb.(LSP Part Number: FPO75-B100C4PE1M)</p>	\$590.40	1	\$590.40
<p>AC-LSP-FPO150-PS FPO150 150W Power Supply Board</p> <p>The FPO150 150W Power Supply Board is a high efficiency, off-line switchmode power supply-battery charger designed as a general purpose power supply to provide uninterrupted power for locks, auxiliary equipment and access controllers.</p>	\$381.35	6	\$2,288.10

Standard Terms

*****PLEASE ASSUME ALL PARTS ARE A MINIMUM OF 2-3 WEEKS OUT*****

Due to supply chain issues and rapidly increasing costs, pricing is currently valid for 30 days. We are happy to requote after 30 days.

All project orders placed after 11/1/2021 require a prepayment of parts to secure pricing. This is necessitated by rapidly increasing materials costs outside of our control.

Your understanding is appreciated.

About This Quote.

This is a quote setting out the proposed price at which Hoosier Security is prepared to supply the products and services described herein. It is not intended to create a legally binding contract. This quote may be cancelled at Hoosier Security's discretion at any time, including following acceptance of this quote by you, if you are in default of the terms of your purchase agreement. The quoted prices are subject to change without notice if due to circumstances beyond Hoosier's control. Hoosier Security reserves the right to withdraw this quote at its discretion at any time prior to it being accepted by you. Unless earlier withdrawn by Hoosier Security, the prices herein are valid for thirty [30] days from the date of this quote. Any shipping, equipment rental and subcontractor costs referenced in this quote are an estimate only and do not form a part of the price quotation for any purchase made in reliance upon this quote. Actual shipping, rental and specialty subcontractor costs may be different than the estimate referenced herein, these costs are provided as a courtesy. Prices do not include (or only include an estimate of) any pass through expenses, these expenses include taxes, duties, state sales tax, or any other taxes levied on the sale of products or services and expedited shipping costs necessitated by accelerated scheduling. Actual taxes and duties may be different than the estimate referenced herein.

About Change Orders.

Changes in the specifications, quantities, schedule or other aspects of the services that are requested or approved by client do not become binding upon Hoosier Security unless accepted by Hoosier Security in writing. Any such changes may result in additional or increased charges, and you agree to pay such increased charges. Hoosier will provide estimated costs for any change orders before proceeding if those changes increase costs by \$500 or more.

Unforeseen Circumstances and Exclusions.

This agreement excludes any additional work not mentioned in the scope of work. It further excludes any labor, material or third party costs associated with the repair or remediation of hidden damages. Hidden damages may include but are not limited to, any hidden, concealed or unforeseeable condition not discovered during the estimating process. Client agrees to provide a reasonably workable site for Hoosier installers to complete their work. Any site conditions which contribute significantly to delays will be considered a change. These site conditions may include; Inability of on-site technicians to access areas due to end-user materials placement, internal workflows or other physical incumbrances, improper communications during scheduling that lead to "Dry Runs" or Hoosier technicians on-site without being able to perform their work due to uncommunicated status of facility or other such avoidable delays, or delays caused by end-user contracted third parties.

About Our Payment Expectations.

Unless explicitly agreed prior to commencement of work, all materials and software will be invoiced upon receipt by Hoosier. Labor and other services will be invoiced upon completion, with payment due in full upon completion of the work or services provided and no later than 15 days after completion. Where a quotation has been provided, the full amount, less any payments already made, is payable. Where a quotation has not been provided, Hoosier Security's agent will advise the customer of the amount due and will post a detailed invoice by email within 72 hours. Any invoice left unpaid beyond 30 days past due will be subject to termination of services and late payment fees as well as credit hold and auto-pay requirement for future services. All materials and goods supplied by Hoosier Security shall remain the property of Hoosier Security until the full project invoice has been paid by the customer. Please review your submittal form for payables accuracy to avoid unnecessary account complications. All project payments are assumed by ACH or Check and have been discounted 3.5%.

▶ Service Programs

Standard Service Plan (included)

All commercial systems from Hoosier Security carry a **3 year 100% Parts and Labor Warranty**.

We have installed and specified thousands of video systems and we have the experience to know what works, and what lasts, as well as what doesn't. As an independent provider, we have no binding ties to individual manufacturers and thus choose the equipment that is best suited to a particular application, taking into account the property, the people, and the problems to craft solutions that solve problems and provide peace of mind.

Just Fix It Service Plan (recommended)

Although our standard service plan is very good, we've found that some of our customers need a higher level of service and that's what our "*Just Fix It*" plan is for. Choosing this plan means never having to worry about our availability for service, or how much it will cost to replace a part out of warranty, or your system becoming obsolete. Customers on this plan enjoy a 24 hour phone support, guaranteed next business day service, parts covered regardless of the manufacturer's warranty, and several other benefits.

- 24 Hour Call Availability
- Guaranteed Next Business Day Response
- Free Software Upgrades / Repairs
- Free loaner recording system while your system is repaired
- Obsolete Components and Parts Outside of Warranty Covered
- Free Communication Device Upgrades (alarm customers)
- Batteries Covered
- 30% Discount on any service not covered
