Re: Well 1-1 Cleaning

Mayor and Board Members,

Municipal Water Well 1-1 has been found during an inspection of the well systems, to require cleaning and further camera inspection. This is routine cleaning and is not unexpected given the amount of service placed on this well. This work is consistent with our PSA with Peerless Mid-West and through task order 2-3 this work will be performed.

I request the Board approve Task Order 2-3 as presented in the amount of \$ 21,730 to be completed as soon as possible. I welcome any questions the Board may have on this recommendation.

Respectfully Submitted,
