Rob,

Bill Castrodale sent the email below explaining your portion of phase 3 (Pennsy Trail)...\$27,800.00. I'm not sure what the process would be for the encumbrance since we're paying for it, if you're planning on doing that of course. Hopefully Lori will be able to work something out.

Have a great day!

Scott,

Thanks for sending this over, we will get our PO over to Mill Drill ASAP. By the quote they sent us I have the following cost estimates for installing the fiber portion of this phase of the project:

Install Fiber Hand Hole Pull Boxes \$5,200  
Directional Bore (2) 1 1/4" Conduits \$18,980  
Install Fiber Cable \$3,620  
Total Cost Estimate \$27,800

Let me know if you have any questions or need anything else from us.

Thanks,

**Subject:** Parker Sub Feeder Exits - Phase 3 Labor Approval

Bill,

The attachment above contains the signed approval letter for the Parker Sub. phase 3 labor. Also, would it be possible to get the cost for I.T.'s portion? They are going to help pay for phase 3, and wanted to know what their portion would be of the total amount. Any help would be greatly appreciated!

Thank you and have a great day!
