

City of Greenfield Policy and Procedure Manual

Mission Statement

Our mission is to provide quality service on a consistent basis with economy and efficiency in mind.

History

Hancock County was created on March 1, 1828, and named for John Hancock, the first signer of the Declaration of Independence. The town of Greenfield was chosen as the county seat on April 11, 1828. The Commissioners announced, "The seat of Justice of Hancock County shall be known and designated by the name and title of Greenfield." The population of the county at that time was 400.

In 1833, the Indiana Gazetteer published, "Greenfield is surrounded by a body of rich, fertile land and is in a very prosperous and flourishing state of improvement."

Early settlers built along the two creeks which flow south through Center Township, which includes Greenfield. The first businesses were small grist mills for grinding corn and wheat for settlers.

U.S. 40, the National Road, was built through Hancock County around 1835. It was heavily traveled by wagon trains going west and livestock going to Cincinnati. In 1853, the first steam railroad was completed by the Indiana Central Railroad at the south edge of Greenfield. The railroad became part of the Pennsylvania Railroad System and later the Penn-Central. These tracks were removed in the 1980s.

During this time, Greenfield's population continued to grow. Greenfield was incorporated as a city in 1876 with a population of 2,023. The greatest single period of growth began in 1887 when natural gas was discovered in the area. Greenfield was a boom town for 20 years, with the founding of manufacturing plants and other industries.

In some earlier historical publications, "Hancock County has been described as within the genius belt of Indiana." It was also said that "here oratory flourishes and the poetry is indigenous to the soil." Among the greats of the city were James Whitcomb Riley, the "Hoosier Poet"; two famous artists, Will Vawter and Dick Black, Earl K. Smith, composer of "Down by the Old Mill Stream", and Rev. Charles O'Donnell, later President of Notre Dame.

A statue of James Whitcomb Riley, which stands in front of the Hancock County Courthouse, was erected in 1918. It was purchased with money donated by school children from all over the United States. Each year, during the Riley Festival in October, the city's school children parade to the statue to place flowers around it.

Today, Greenfield represents the best of both worlds blending its small-town atmosphere with managed growth as part of the greater Indianapolis metropolitan area. The population of Greenfield, 11,657 in the 1990 census, has continued to grow steadily due to the fact that Hancock County is the sixth fastest growing county in the state of Indiana.

In a letter to Helen Downing, James Whitcomb Riley described Greenfield as “My home and your home and your parents' home and the best home outside of heaven.”

WELCOME

TO A PROUD “TEAM” DEDICATED TO “CITIZEN SERVICE”

Your fellow employees of Greenfield welcome you to the Team. You have been chosen to receive an opportunity to become part of a proud working tradition. Your co-workers and their predecessors have established an outstanding reputation serving the citizens of Greenfield. Indeed, our motto is Citizen Service. Simply put, this means our mission is to provide quality service on a consistent basis with economy and efficiency in mind. We must be ever mindful of how we spend our taxpayer's dollars.

Although City employees are assigned to a specific department, the nature of our work may necessitate an employee from one department being transferred to a different department.

These are normally temporary assignments, but their frequency and duration will be governed by the needs of the City.

Please understand you will be in the public's eye. Greater scrutiny and expectations from our citizenry is your heritage. We are confident you will serve with honor.

The City policies and procedures have been adopted to provide guidance for all concerned. It is your responsibility to know and practice them. As you study them, please list any questions for review with your Supervisor. A thorough understanding of these procedures will make all our working lives better.

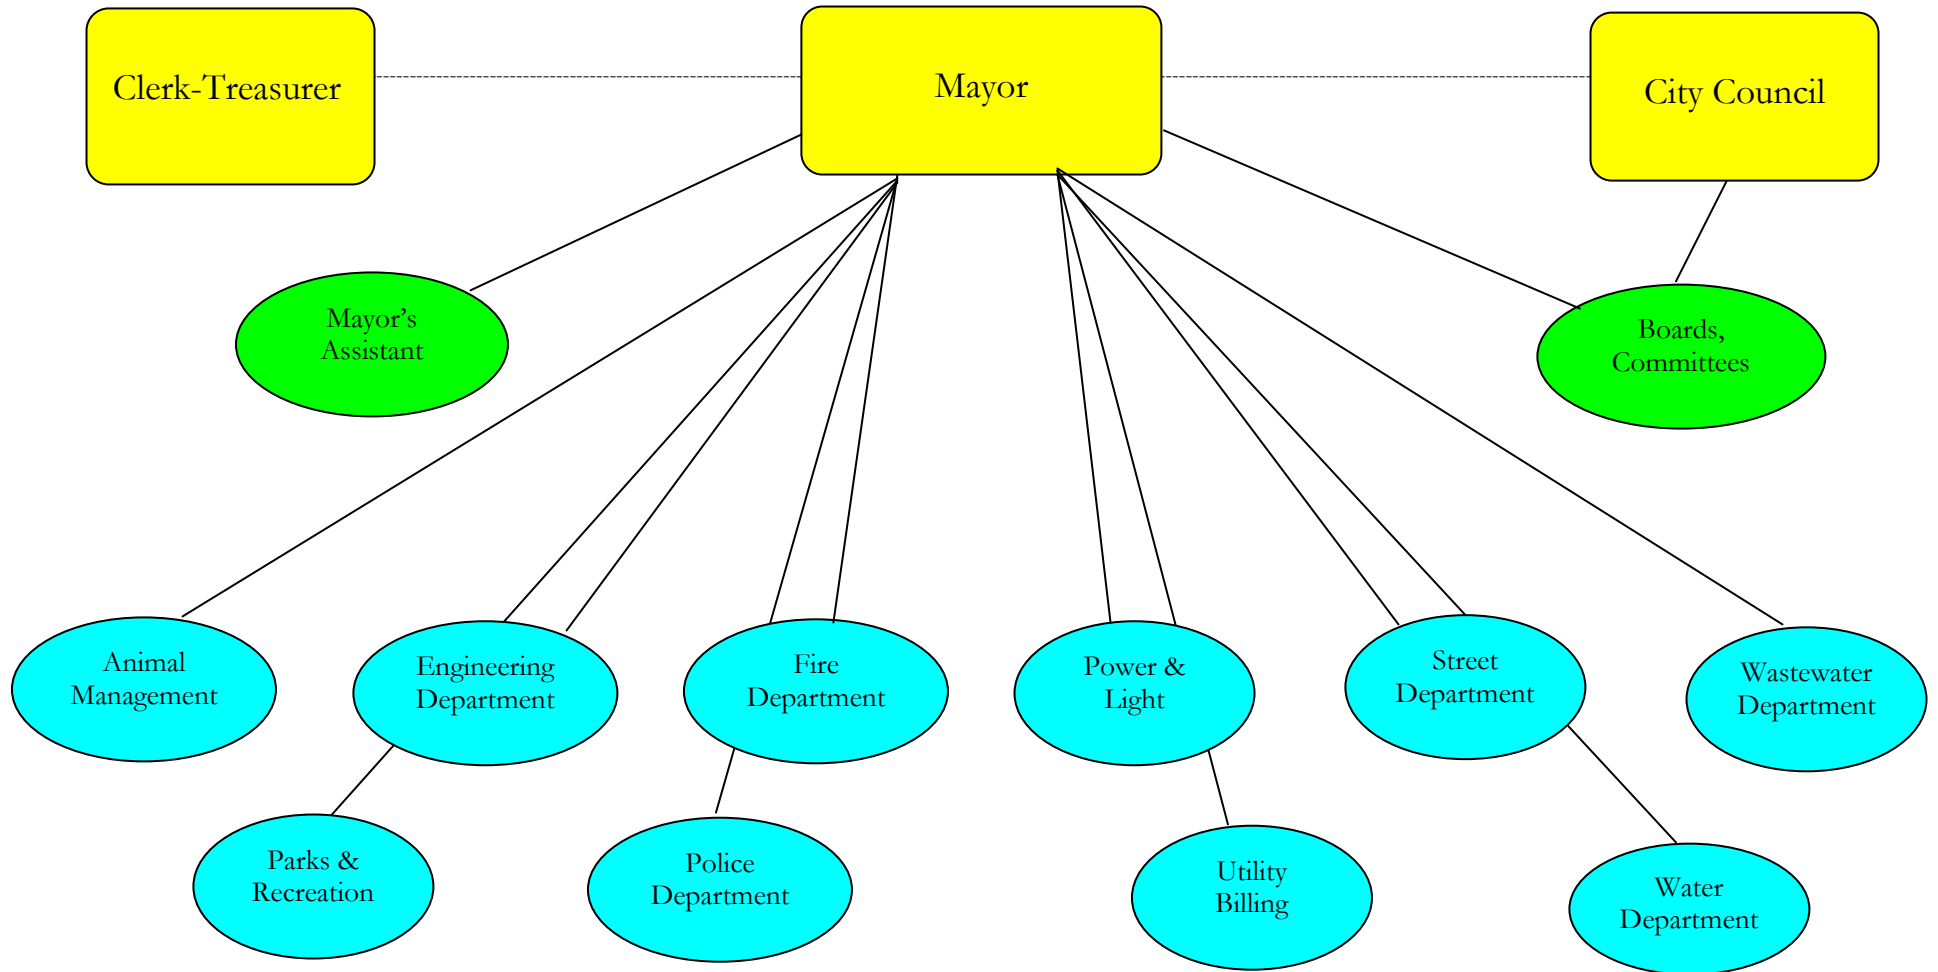

When problems or concerns arise, please attempt to resolve them with your Supervisor and/or Department Head. Perhaps the matter can be taken care of before it becomes necessary to file a formal grievance.

We ask that you do not let little problems become big ones through neglect. If its work related, and it is bothering you, discuss the matter with your Supervisor.

Greenfield is proud of the benefit package provided to our valued employees. Your Supervisor will explain these benefits and let you know at what point you will be eligible for them.

Greenfield is an outstanding community. One of the biggest reasons we are that way is the pride and dedication of our municipal work force. It is a pleasure to welcome you to an organization that is dedicated to Citizen Service. We are confident you will soon be contributing towards that end.

Greenfield Organizational Chart

Policy Administration

36.01 Introduction and Purpose

The purpose of this Personnel Policy and Procedure Manual is to provide a consistent, systematic, and organized approach to the establishment, implementation, and administration of the personnel policies of Greenfield (hereinafter referred to as the City). It is written, adopted, and interpreted exclusively by Greenfield's Elected Officials, and their designees, and is not subject to modification, change, or contrary interpretation by any employee or employee representative organization except as may otherwise be specifically authorized and recognized by the laws and/or Constitutions of the State of Indiana and United States.

This Manual is to be used to assist and guide personnel in the day-to-day direction and performance of the general workforce, the result being that a number of important and responsible goals may be achieved:

- A. First, by implementing uniform personnel policies that are applied in as consistent and impartial a manner as is practicable, the goal is to promote the best possible working relationships and highest morale among all City employees. This policy manual was created for the employees of the City of Greenfield not covered by any other bargaining agreement. Furthermore, it is not the intent or purpose of this Personnel Policy Manual to supersede or overrule any State or Federal rules and regulations governing the operation of a department (the Police and Fire Department). It is, however, the intent of this Personnel Policy Manual to provide support, direction, and procedures that will enable the City to practice fair and consistent daily personnel administration.
- B. Second, by providing employees with fair and equal opportunities in their recruitment and advancement, by evaluating their services on the basis of merit and fitness, and by giving consideration to their needs and desires, the goal, is to provide an employment atmosphere that increases the cooperation and productivity of the employees together with the prospects for career opportunities within the City and each office or department of City government.
- C. Third, by providing dependable and courteous services to the residents of the City, the goal is to enhance the reputation and stature of the City's departments and offices within the community.

- B. The City is organized into various departments, or offices, to ensure adequate expertise, specialization, and efficient functioning. These departments, or offices, function under the administrative guidance and control of the Department Heads, who are responsible for the day-to-day management and operation of the City.

The various management and Supervisor personnel are charged with applying, interpreting, enforcing, and generally ensuring compliance with the provisions of this manual. It is the obligation and, a requirement as a condition of employment for each individual person employed by the City to comply in every respect with the provisions of this manual and any related procedures and work rules and to perform their assigned duties in a responsible manner creditable to the City. As such, all City employees are expected to become knowledgeable about its contents and abide by the policies set forth herein. Any questions, concerns, or lack of understanding about a particular provision of this manual should be promptly discussed with his/her Department Head.

- C. Any changes in the Policy and Procedure Manual shall in no way alter the Employment-At-Will policy or create a binding contract between the City and any employee.
- D. Employees are encouraged to make suggestions for improvements in personnel policies and practices. Suggestions should be directed to the Department Head, in writing, together with an explanation as to how such a change could benefit the City, your Department, and/or the public.
- E. The City will undertake to accomplish a review of the manual at twelve-month intervals or as may be indicated by law or change in characteristics of the City workforce.
- F. The Department Heads maintain the ultimate right to manage their work forces, consistent with the policies set forth in this manual and all applicable State and Federal laws. The Policy and Procedure Manuals of the Police and Fire will supersede this manual in situations where their manual is written with stricter requirements. In policy areas in which the Police and Fire policy manuals are silent on a topic, the Greenfield City Policy and Procedure Manual will be in effect.
- H. In the event that any Section of this Manual or amendment or revisions thereto is held to be unenforceable, contrary to law or otherwise restrained from its full force

and effect by a court or other tribunal of competent jurisdiction, the remaining Section(s) of the Manual, to the extent that they remain unaffected by such declaration restraint, shall continue in full force and effect.

36.04 Equal Employment Opportunity

Therefore, all such personnel actions should be consistently administered to all employees without compromise and thus should be based on the results achieved on the job, as well as objective job relatedness in both job qualifications and performance standards.

36.05 Discrimination/Sexual Harassment

- A. We believe that all our employees should be able to work in an atmosphere free from all forms of employment discrimination, including sexual harassment. Greenfield's policy is to forbid sexual harassment and any type of discrimination. This policy extends to every level of our operations. Accordingly, discrimination and sexual harassment, whether by a fellow employee, Supervisor, or Elected Official, will not be tolerated. Activities of this nature serve no legitimate purpose; they have a disruptive effect on the employee's ability to perform, and they undermine the integrity of the employment relationship.
- B. We take allegations of discrimination and sexual harassment very seriously. Any employee who believes that he/she is a victim of discrimination or sexual harassment should immediately bring the matter to the attention of his/her Supervisor, or in the case where the Supervisor is the problem, contact the Elected Official. All such matters will be treated confidentially, and with the utmost discretion. Greenfield will actively investigate all discrimination and sexual harassment complaints, and if determined that discrimination or sexual harassment has occurred, the Elected Official will take appropriate disciplinary action against the offending party, up to and including termination.
- C. Acts considered to constitute sexual harassment include, but are not limited to, unwanted, uninvited or offensive touching, displaying sexually suggestive or explicit material, pictures or cartoons, telling sexually suggestive or explicit stories or jokes, making sexually suggestive or explicit gestures, unwelcome sexual

advances, requests for sexual favors and other verbal or physical conduct of a sexual nature where:

2. Submissions to or rejection of such conduct is used as a basis for an employment decision affecting the harassed person;
3. The purpose or the effect of such conduct is to interfere with the affected individual's job performance or to create an intimidating, hostile, or offensive, work environment.

D. Acts considered to constitute discrimination include, but are not limited to:

1. Hiring based upon race, color, religion, national origin, sex, age, marital status, sexual orientation, or non-job related handicaps
2. Promotions based upon race, color, religion, national origin, sex, age, marital status, sexual orientation, or non-job related handicaps

36.07 Physical Harassment

Physical harassment means to knowingly and intentionally cause or inflict physical pain to a fellow employee. Greenfield will actively investigate all physical harassment complaints, and if determined that physical harassment has occurred, the Elected Official will take appropriate disciplinary action against the offending party, up to and including termination.

36.08 Harassment/Discrimination Grievance Procedures

It is helpful for the victim to inform the harasser directly that the conduct is unwelcome and must stop.

If an employee desires to file a harassment or discrimination charge against anyone in the city the following procedures shall be followed:

- A. Any individual who believes that he/she has been harassed or discriminated against must report this information to the Mayor or his/her designee as soon as possible.
- B. Upon notification, the Mayor/Designee will conduct a thorough investigation of the alleged incident. The investigation will consist of the following:
 1. A written statement from the victim, along with an interview
 2. Interviewing all of the witnesses to the alleged violation
 3. Interviewing the alleged violator
- C. A written analysis and decision will be provided to the victim, alleged violator, and the Board of Works/Mayor .
- D. A Board of Works Hearing will be conducted to render a final decision.
 1. Board will meet within two weeks of the initial claim
 2. The victim and the alleged violator will have the opportunity to make a statement and provide the Board with additional information if necessary.
 3. The Board will render a final disposition at the closing of the hearing.
 4. The Board's decision will be carried out immediately.

36.09 Americans with Disability Act (ADA)

- A. It is the policy of Greenfield that qualified individuals with disabilities are not to be excluded from participation in or benefit from the services, programs, or activities of the City. It is the policy of the City not to discriminate against a qualified individual with a disability in: job application procedures; the hiring, advancement or discharge of employees; employee compensation, job training, and other terms, conditions and privileges of employment. It is the intent of the City to comply with all applicable requirements of the Americans With Disabilities Act (ADA).
- B. The City will reasonably accommodate persons with a disability on a case-by-case basis, which may include making facilities readily accessible to individuals with a disability, restructuring jobs, modifying work schedules and/or equipment, or similar accommodations.
- C. Employees who want an accommodation should inform the Elected Official of their condition. Such employees are required to provide pertinent medical information. Employees and the Supervisors should contact the Elected Official for assistance when an accommodation is necessary.
- D. Accommodations may not create an undue hardship for the City or other employees. An individual who cannot be reasonably accommodated for a job, without undue hardship, will not be selected for that position. The Elected Official and the City Attorney will make determination of reasonable accommodation.
- E. All employees are required to comply with safety standards. Applicants who pose a direct threat to the health or safety of other individuals in the workplace, and where the threat cannot be eliminated by reasonable accommodation, will not be hired or retained. Current employees who pose a direct threat to the health or safety of the other individuals in the workplace will be placed on the appropriate leave.
- F. Further, disabled individuals cannot pose a direct threat to the safety of themselves or others. Generally, a “direct threat” means a significant risk to the health or safety of others that cannot be eliminated by reasonable accommodation. Benefits provided to disabled individuals who are qualified to perform the work must be consistent with the benefits provided to other employees. Any individual who believes he/she has received treatment inconsistent with the policies set forth above or any other requirement of ADA, may file a complaint with the Elected Official.

36.10 Employment-At-Will

- A. Public employment is based on the “at-will” doctrine. “At-will” employment means, any individual may voluntarily leave employment or may be terminated by the City at any time with or without cause. Any change to this policy will be effective only if set forth in writing and signed by both the employee and the appropriate Elected Official.
- B. There are exceptions to the “at-will” doctrine, which prevent wrongful termination.
- C. This policy may not be modified by any statements contained in this manual or any other employee materials, including applications, memoranda, or other documents provided to applicants and employees in connection with their employment. None of these documents, whether single or combined, create an expressed or implied contract of employment for a definite period, or an express or implied contract concerning any terms or conditions of employment.
- D. Similarly, City policies and practices with respect to any matter should not be considered as creating any contractual obligation on the City's part or as stating in any way that termination would occur only “for cause.” Statements of specific grounds for termination set forth in this manual or in any other City documents are examples only, not all-inclusive lists, and are not intended to restrict the City’s right to terminate at-will.
- E. Police and Fire Departments will be required to follow their SOP’s for their respective departments.
- F. Completion of a Probationary Period or conferral of regular status does not change an employee's status as an at-will employee or in any way restrict the City's right to terminate the employee or change the terms or conditions of employment.

36.11 Nepotism

- A. The City of Greenfield selects employees based on their job qualifications. To make sure this standard is always followed and to protect the integrity of business operations, the City has certain restrictions on when and where relatives of employees can be hired and how related employees can work together.
 - 1. Members of an employee’s immediate family (including parents, siblings and children) are considered relatives. Relatives also include persons related by

- marriage (including in-laws and common law marriage) and those related by law (including adoption, guardianship, and foster parent relationships).
2. Two employees may also be considered related if they have a personal relationship that, in the opinion of the City, may affect or give the appearance of affecting the employment decisions of the Council. This may include a dating relationship or indirect reports involving a shared residence.
- B. Unless otherwise specified by State law, relatives will not be hired, promoted or transferred to positions that:
1. Places them in the same department
 2. Places them in direct or indirect supervisory or managerial capacity over a relative. The employment of relatives as co-workers in the same work unit may also be prohibited even when there is not a reporting relationship.
 3. Allowing them to directly or indirectly influence salary adjustments, career progress, or other managerial activities involving a relative.
 4. Require them to audit or review the work of another relative
- C. Subsequent to the adoption of this Manual, Elected Officials' spouses shall not be hired to work for the City.

36.12 Employer-Employee Relations

- A. The City is committed to a mutually rewarding and direct relationship with its employees. Thus, the City attempts to be receptive to constructive suggestions, criticisms, and questions. 5. To assign duties to employees in accordance with the City's needs and requirements and to carry out all ordinary administrative and management functions
6. To establish, change, and abolish policies, practices, roles, and regulations as the City works to meet the needs of its constituents.

36.13 Alcohol and Drug Free Workplace

It is the intent and obligation of Greenfield, IN, to provide the employees with an Alcohol and Drug Free Workplace.

Employees of Greenfield are expected and required to report to work on time and in appropriate mental and physical condition. It is unlawful to manufacture, consume, possess, control, distribute, or sell alcohol or illegal drugs, in any amount, at any time during working hours, or at any time while on Greenfield premises. Alternatively, when the employee is performing his/her job functions while off City premises will also constitute a violation of this policy. Violation of this policy is strictly prohibited. Violation of this policy may result in disciplinary procedures up to and including termination.

Greenfield recognizes alcoholic or drug dependency as an illness and a major health problem. Additionally, the City also recognizes alcohol or drug abuse as a potential health, safety, and security problem. The City understands that some employees are hesitant or afraid to ask for help even when they are aware that they may have a drug and or alcohol problem. Employees needing help in dealing with such problems will have one opportunity to ask for help without repercussion. They should contact their Department Head who in turn will notify the Elected Official's office for guidance and direction. Every effort will be made to confidentially refer the employee who needs and requests such help to qualify for help. Conscientious efforts to seek such help may not jeopardize any employee's job.

36.13a Pre-Employment Screening

Applicants for positions with the City, and former employees seeking to be rehired, will be notified of the City's drug and alcohol screening policy at the time they apply.

As a condition of employment, the candidate will be required to pass a physical exam, including a drug and alcohol screening, at the applicant's expense, before becoming employed by the City of Greenfield. If the applicant is hired, he/she will be reimbursed for the physical, including drug and alcohol screening.

The prospective employee will be denied employment if he/she fails the drug or the alcohol screening, or refuses to submit to the drug and alcohol screening.

36.13b Random Drug and Alcohol Screening

The City will test employees on a random basis, and all such tests will be unannounced. Every employee will have an equal chance of being selected every time the selection is conducted. Appropriate safeguards are also present to ensure that the identity of the employees cannot be determined before or at the time of their selection. When an employee is randomly selected to be tested, he/she will be notified and instructed to report to the collection site immediately.

An employee who tests positive for drugs and or alcohol, or who refuses or fails to submit to a random drug and alcohol test will be subject to disciplinary action, up to and including, discharge.

36.13c Reasonable Suspicion Screening

The City of Greenfield will administer an alcohol and or drug test when there are specific and objective reasons to believe that an employee's behavior is jeopardizing workplace safety. No test is to be performed until there is "cause" to believe that the employee is impaired is properly documented-preferably in writing by at least two City Supervisors. (If two trained individuals are not available to show cause, the Supervisor who observes the impairment will use his/her best judgment to determine whether a test is necessary.)

"All Department Heads, City Supervisors, and /or Foremen shall be required to undergo annual training at the expense of the City by an independently contracted entity to be able to observe and detect indication of impairment of an employee due to the use of alcohol or drugs."

An employee who tests positive for drugs and or alcohol, or who refuses or fails to submit to a reasonable suspicion drug and alcohol test will be subject to disciplinary action, up to and including, discharge.

36.13d Post Accident Screening

Greenfield will require a post accident alcohol and drug test on any employee who is driving a City owned vehicle or their personal vehicle on City time. The employee must submit to a post accident drug and alcohol test as soon as possible

after an accident, whenever he/she receives a citation for a moving violation involving the accident, and (i) either a person is injured because of the accident and the injuries require immediate medical treatment to the person away from the accident scene; (ii) one or more motor vehicles involved in the accident incur disabling damage and must be transported away from the accident scene by a tow truck or another vehicle. (A Supervisor on the scene can ask the employee to submit to drug and or alcohol test if they believe the situation warrants one even if there is no personal injury or disabling vehicle damage.) “Note - the police can also request that a test be done following an accident.”

An employee who is required to take a post-accident drug and alcohol test will, at the City’s discretion, either be assigned to a position which does not require driving City vehicles or placed on non-disciplinary suspension with pay while awaiting the post accident test results.

An employee who tests positive for drugs and or alcohol, or who refuses or fails to submit to a post accident drug and alcohol test will be subject to disciplinary action, up to and including discharge.

If the employee tests positive for drugs or alcohol, he/she will be required to reimburse the City for the cost of testing.

36.14 Commercial Driver’s License (CDL)

Any City employee, who is required to drive a City vehicle, which meets the federal regulations to be considered (Heavy Equipment), will be required to maintain a Commercial Drivers License (CDL). These employees will be required to participate in Greenfield’s alcohol and drug-testing program as mandated by the Department of Transportation.

The goals of the City’s alcohol and drug testing policy are to insure a drug and alcohol-free work environment, and to reduce and help eliminate drug and alcohol related accidents, fatalities, and damage to property.

Under the City’s Policy, drug and alcohol testing will be conducted on any current and/or prospective driver who may be required to operate a motor vehicle having a gross vehicle weight rating in excess of 26,000 pounds in interstate or intrastate commerce, and on any driver of a motor vehicle that is used to transport hazardous materials in a quantity which requires the vehicle to be placard regardless of the vehicle’s size.

All applicants for positions with the City which will include driving City equipment, and which meets the above requirements will be notified of the City's drug and alcohol use and testing policy at the time, they apply. They will be required to pass an alcohol and drug test before becoming employed by Greenfield.

A CDL Driver must maintain his/her CDL license status or he/she will be terminated.

36.14a Post Accident Testing

Any employee carrying a CDL must submit to a post accident drug and alcohol test as soon as possible after an accident, whenever: (i) he/she receives a citation for a moving violation involving the accident; or (ii) either a person is injured because of the accident and the injuries require immediate medical treatment to the person away from the accident scene; or (iii) one or more motor vehicles involved in the accident incur disabling damage and must be transported away from the accident scene by a tow truck or another vehicle. (A Supervisor on the scene can ask the employee to submit to drug and or alcohol test if they believe the situation warrants one even if there is no personal injury or disabling vehicle damage.) "Note the police can also request that a test be done following an accident."

An employee who is required to take a post-accident drug and alcohol test will, at the City's discretion, either be assigned to a position, which does not require driving City vehicles, or placed on non-disciplinary suspension with pay while awaiting the post accident test results.

An employee who tests positive for drugs and/alcohol, or who refuses or fails to submit to a post accident drug and alcohol test will be subject to disciplinary action, up to and including discharge.

36.14b Random Testing

The City is required to test CDL employees on a random basis, and all such tests will be unannounced. Every employee will have an equal chance of being selected every time the selection is conducted. Appropriate safeguards are also present to ensure that the identity of the individual drivers cannot be determined before or at the time of their selection. When a driver is randomly selected to be tested, he/she will be notified and instructed to report to the collection site immediately.

An employee who tests positive for drugs and/or alcohol, or who refuses or fails to submit to a random drug and/or alcohol test will be subject to disciplinary action, up to and including discharge.

36.14c Reasonable Suspicion Testing

Each CDL employee is required to submit to a drug and alcohol test whenever the City has reasonable suspicion to believe that the driver has used drugs and/or alcohol in violation of DOT regulations and/or this policy.

Reasonable suspicion will exist when an employee's appearance, behavior, speech, or body odors indicate drug or alcohol use, or the withdrawal effects of drugs. Such observations must be personally observed and documented by at least one City official who has received training covering the physical, behavioral, speech, and performance indicators of probable drug and alcohol use. (If the trained individual is not available, the Supervisor who observes the impairment will use his/her best judgment to determine whether a test is necessary.)

An employee who is required to submit to a reasonable suspicion test will be escorted by his/her Supervisor to the appropriate specimen collection site for the drug and alcohol test.

The Supervisor will arrange the transportation of the employee home at the completion of the test.

An employee who is required to take a reasonable suspicion test will be considered by the City as unqualified to work and placed on immediate suspension, without pay, pending the results of the test. An employee whose test results are positive will not be reimbursed for the time of the suspension.

An employee who tests positive for drugs and/or alcohol, or who refuses or fails to submit to a reasonable cause drug and alcohol test will be subject to disciplinary action, up to and including discharge.

If the employee tests positive for drugs or alcohol, he/she will be required to reimburse the City for the cost of testing.
