Citizens' Academy Application

Please feel free to submit an application to participate in the 2011 Greenfield Citizens' Academy. You will be notified in late July for your enrollment in the program. The Academy is a nine-week course held on Tuesday evenings from 6:00 – 8:00pm from August 9th through October 4, 2011. The Academy is designed to:

1. encourage more civic involvement in your local government;
2. demonstrate how each department operates and understand the services they provide;
3. provide an understanding of the how City Government functions; and
4. interact with Department Supervisors, the Clerk-Treasurer, and Mayor.

Through the sessions with various City Departments, the participants learn about the challenges to City Government, budget limitations, and day-to-day operations and management.
