Re: Greenfield Wastewater Utility – Office Furniture Proposal Update

Mayor and Board Members,

At the December 27, 2023 meeting of the Board of Public Works and Safety, the office furniture proposal from Commercial Office Environments in the total amount of \$97,757.62 was approved. There were a few changes that were made during the selection process and the updated cost is \$98,091.75. The main changes were made include:

- Adding a drawer stack to the desk in the lab and the 3 desks in office 122 and removing the additional file box with drawers at each desk in 122.
- Changed the whiteboards in a few locations to magnetic whiteboards boards.
- Eliminated the desk and cabinets in the controls room. We will be moving a desk from the current office and using it in this location since it is fairly new.

At this time, I am requesting that the Board accept the updated proposal from Commercial Office Environments for the total amount of \$98,091.75. A copy of the updated proposal has been included for your review. Please let me know if there are any questions or if any other information is needed at this time.

Best Regards,

The customer must notify us of any damaged or nonconforming delivery within twenty-four (24) hours.

CHANGES/RETURNS

The quotations contained herein are based upon a design and layout prepared by or accepted by COE and approved by the customer and upon the plans and specifications and existing condition of the job site. COE will not be responsible for any damages, losses, or claims, including claims for personal injury resulting from the use or misuse of product. Customer agrees to look solely to the manufacturer for any claims arising out of any alleged defect in the product.

ORDER CANCELLATIONS

All merchandise is considered to be non-cancelable unless the manufacturer agrees to allow cancellation of our order to them. In the event that the manufacturer accepts cancellation, any charges resulting from such action will be the responsibility of the customer.
