Re: Mark Libby - Resignation

Mayor and Board Members,

Mark Libby has been an employee of the City for over 42 years. Mark recently informed me of his intention to resign from his position as Plant Operator at the Wastewater Utility. Mark's last day of employment with the City will be April 12, 2024.

At this time, I am requesting that the Board accept the resignation of Mark Libby effective April 12, 2024. On behalf of the Wastewater Utility, I would like to wish Mark the best and thank him for his more than 42 years of service to the City of Greenfield and the Wastewater Utility.

Best Regards,
