Re: Request for Proposal – Utility Locating Services

Mayor and Board Members,

I am requesting the Board's permission to seek proposals for professional utility locating services. Our current vendor contract was approved on April 22, 2014 and continues under an automatic yearly renewal clause. With the expansion of providers in our service area, the utility managers and I would like to have the opportunity to review proposals and select the vendor that best suits our needs.

Thank you,

Jane Webb
