Re: Opening of chlorine bids for review

Mayor and Board Members,

The Water Utility requested quotes for the supply of chlorine for the calendar years 2025 thru 2027 with an option to extend the service contract for one year. We will be considering the option to accept one or more contracts to provide the necessary flexibility required by supply chain considerations and operational need.

The table below is provided for the Board to record the quotes amounts read from the sealed quotes received by the Clerk-Treasurer's Office.

Quote send to Vendor	Price per Pound of Chlorine	Field Surcharges
Brenntag Mid-South		
Alex Chemical		
JCI Jones Chemical, INC		
Water Solutions Unlimited		

I wish to review the bids presented today and present my recommendation at the next scheduled Board of Public Works and Safety meeting.

Respectfully Submitted,

Charles Gill
Water Utility Manager
