Re: Award of Building Generator

Mayor and Board Members,

We have reviewed the quotes received from the two vendors that were opened at the last Board of Works meeting. The following data table shows the costs breakdown for comparison:

| Vendor | Lump Sum |
|-----------------------------|-------------|
| Midwest Generator Solutions | \$83,125.00 |
| Huston Electric | \$79,600.00 |
| | |

I request that the Board approve the award of Huston Electric for \$79,600.00 as submitted pending post bid submittals. I welcome any questions the Board may have on this request.

Respectfully Submitted,
