Chief Horning,

I would like to thank you for giving me the opportunity to be a part-time Firefighter/EMT with the Greenfield Fire Territory. I have enjoyed my time working here and have learned many valuable things from fellow firefighters during my time here.

I recently moved out of the area and do not currently have the availability to be able to commit to continuing my part time hours with the department. As I currently do not have anymore part time shifts on the schedule. Please accept this as my resignation from my position with Greenfield Fire Territory, as of April 25th, 2025.

Once again thank you for the opportunity. I have much respect for the department and the time each shift has taken to make me a better Firefighter/EMT.

Thank you,  
Morgan Collins
