From: Rob Souchon – IT Manager

1. Request approval for the City of Greenfield to enter into an easement access trade agreement with Ninestar Connect for fiber communications access. Ninestar connect will provide 2 fiber communication lines from the Parks Elmore Center to the Parks Maintenance Office (Represented in Exhibit A) in exchange for a 5 foot non-exclusive easement access along the northside of the Pennsy Trail west of Meridian Road, Hancock County parcels 30-10-02-100-018.000-008 and 30-10-01-500-009.001-009 (Represented in Exhibit B). The easement access for fiber communications trade has been requested because the City of Greenfield's IT Department is working to extend the fiber network to the west side of Riley Park.
