RE: Owner's Technical Representative services for the Greenfield Parking Garage
Paul I. Cripe, Inc.

Dear Members,

The City is progressing with the development of a parking garage at the southeast corner of W. South Street and S. Pennsylvania Street. This project is part of a new tax increment financing project. TRG has been selected as a build-operate-transfer (BOT) project. As a parking garage is a unique and specialized project, it is desired to obtain the services of a consultant to assist the City through the design and construction process.

Paul I. Cripe was originally a consultant who was part of the BOT team to provide the parking garage and does have a history of strong communication with the selected BOT team. Staff proposes that Cripe be now selected to assist the City in our interests on this very extensive investment. The cost for this work would be borne by the TIF. The enclosed professional services agreement has been modified with the assistance of the City Attorney to address the scope of this work.

The recommended motion is to enter into a professional services agreement with Paul I. Cripe, Inc. to be the Owner's Technical Representative services for the City of Greenfield Parking Garage for an hourly, not to exceed amount of \$292,000.

Sincerely,

Glen E. Morrow, P.E.
City Engineer

Nothing in this Agreement, nor any communication, directive, action or failure to act on the part of OWNER, shall create any contractual relationship between OWNER and any consultant or subcontractor having a contract with CRIPE, nor shall it create any obligation on the part of OWNER to pay or to see to payment of any monies due any consultant or subcontractor to CRIPE.
- 4.10 CRIPE agrees to bind specifically every subcontractor and consultant to the applicable terms and conditions of this Agreement for the benefit of OWNER. - 6.3 Not used.
- 6.4 OWNER may at any time, by written order, make changes within the general scope of the Agreement in the services of work to be performed. If CRIPE believes that such a change justifies an increase in CRIPE's contract time or contract price required to perform the services under this Agreement, it must assert such claim in writing within thirty (30) days of receipt of OWNER's written order giving rise to the claim. No claim for adjustment in the contract time or contract price will be valid if not submitted in accordance with this paragraph. as to the acceptability of the invoices and documentation. If OWNER fails to pay CRIPE according to this paragraph, OWNER shall pay CRIPE **0.0192%** of the unpaid amount per each day in excess of thirty (30) days.

8.7 Not used.

8.8 Upon satisfactory completion of all work and services to be performed hereunder, and prior to final payment under this Agreement for such services, or prior to settlement upon termination of this Agreement, and as a condition precedent thereto, CRIPE shall execute and deliver to OWNER a release of all claims against OWNER arising under or by virtue of this Agreement. In all events, the making and acceptance of final payment shall be conclusive as to OWNER's performance of the Agreement and shall constitute a waiver of all claims by CRIPE against OWNER.

ARTICLE 9. TERMINATION BY OWNER

9.1 If CRIPE becomes insolvent, or if it refuses or fails to perform the work and services provided by this Agreement, or if it refuses to perform disputed work or services as directed pending resolution of such dispute, or if it fails to make payments to subcontractors or consultants employed by it, or if it otherwise materially violates or fails to perform any term, covenant or provision of this Agreement, CRIPE shall be considered in default, and OWNER may, without prejudice to any other right or remedy, terminate this Agreement in whole or in part, in writing, provided that CRIPE shall be given; (1) not less than ten (10) calendar days written notice (delivered by certified mail, return receipt requested or by electronic mail with confirmation of delivery) of OWNER's intent to terminate; and (2) an opportunity for consultation with OWNER prior to termination, and a reasonable opportunity to cure the default as determined by OWNER. In determining the amount of final payment to be made to CRIPE upon such termination for default, if any, no amount shall be allowed for anticipated profit on unperformed services or other work; furthermore, an adjustment shall be made to the extent of any additional costs incurred or reasonably foreseen by OWNER to be incurred by reason of CRIPE's default.

9.2 This Agreement may be terminated in whole or in part in writing by OWNER for OWNER's convenience; provided that CRIPE is given: (1) not less than ten (10) calendar days written notice (delivered certified mail, return receipt requested or by electronic mail with confirmation of delivery) of intent to terminate; and (2) an opportunity for consultation with OWNER prior to termination. If termination for convenience is effected by OWNER, CRIPE's compensation shall be equitably adjusted to include a reasonable profit for services or other work performed, and shall provide for payment to CRIPE for services rendered and expenses incurred prior to the termination. No amount shall be allowed for anticipated profit on unperformed services or other work.

9.3 Upon receipt of a termination action for default or for the OWNER's convenience, CRIPE shall: (1) promptly discontinue all services affected, unless the termination notice directs

otherwise, and (2) deliver or otherwise make available to OWNER all data, drawings, specifications, reports, estimates, summaries, and such other information, materials or documents as may have been accumulated by CRIPE in performing this Agreement, whether completed or in process.

- 9.4 If, after termination for CRIPE's default, it is determined that CRIPE was not in default, the termination shall be deemed to have been effected for the convenience of OWNER.

In such event, adjustment of the price provided for in this Agreement shall be made as provided in Paragraph 9.2 and the recovery of such price adjustment shall be CRIPE's sole remedy and recovery.

- 9.5 Notwithstanding any other provision of this Agreement, if funds for the continued fulfillment of this Agreement by OWNER are at any time insufficient or not forthcoming through failure of any entity to appropriate funds or otherwise, then OWNER shall have the right to terminate this Agreement without penalty by giving written notice documenting the lack of funding, in which instance unless otherwise agreed to by the parties, this Agreement shall terminate and become null and void on the last day of the fiscal period for which appropriations were received. OWNER agrees that it will make its best efforts to obtain sufficient funds, including, but not limited to, requesting in its budget for each fiscal period during the term hereof sufficient funds to meet its obligations hereunder in full.

ARTICLE 10. TERMINATION BY CRIPE

- 10.1 If OWNER fails to pay CRIPE within sixty (60) days after payment is due, CRIPE may, after having given fifteen (15) days written notice, and if OWNER has not made payment, terminate this Agreement. In the event of such termination, OWNER shall compensate CRIPE in accordance with the provisions of Paragraphs 8.6 and 9.2 of this Agreement.
- 10.2 If OWNER requests CRIPE to furnish or perform services contrary to CRIPE's responsibilities as a licensed design professional, CRIPE shall notify Director of OWNER of this request within three (3) days of the request being made. If Director renews request and request actually requires CRIPE to act contrary to CRIPE's responsibilities as a licensed design professional, CRIPE may terminate this Agreement upon seven (7) days written notice to OWNER. In the event of such termination, OWNER shall compensate CRIPE in accordance with the provisions of Paragraph 9.2 of this Agreement.
- 10.3 If CRIPE loses the services of key personnel essential to the prosecution of this Agreement, CRIPE has the following options:
- A. With the consent of OWNER, substitute other personnel (OWNER may not unreasonably withhold consent); or
 - B. Terminate the Agreement.

However, if CRIPE terminates the Agreement, OWNER may complete PROJECT in any manner deemed appropriate. ARTICLE 11. SUCCESSORS AND ASSIGNS

- 11.1 OWNER and CRIPE each binds itself and its partners, successors, executors, administrators and assigns to the other party of this Agreement and to the partners, successors, executors, administrators and assigns of such other party, in respect to the promises, representations, acknowledgements, covenants and responsibilities contained in this Agreement.
- 11.2 Except as otherwise provided herein, CRIPE shall not assign, sublet or transfer its interest in this Agreement without the written consent of OWNER.
- 11.3 Nothing herein shall be construed as creating any personal liability on the part of any officer or agent of OWNER.

ARTICLE 12. RECORDS; AUDITS

CRIPE shall maintain books, records, documents and other evidence directly pertinent to performance of services under this Agreement in accordance with generally accepted accounting principles and practices consistently applied. CRIPE shall also maintain the financial information and data used by CRIPE in the submission or preparation of any cost submission, statement or summary submitted to OWNER or any funding agency. OWNER, or any agencies which have tendered grants for the Project, or any person so designated by a granting agency shall, until the expiration of THREE (3) years after final payment under this Agreement have access to and the right to examine, inspect, audit and copy directly pertinent books, documents, papers and records of CRIPE involving any transaction related to this Agreement. To the extent that the person or entity which seeks to examine, inspect, audit and copy said documents is under the control of OWNER, said person or entity will provide CRIPE with seventy-two (72) hours written notice. CRIPE agrees to incorporate this provision into any subagreements executed by CRIPE with others for work or services related to this Project. The periods of access and examination as described herein shall continue until any disputes, claims or litigation arising out of the performance of this Agreement have been disposed of.

ARTICLE 13. OWNERSHIP OF DOCUMENTS

All documentation relating to this Project, developed in the performance of this Agreement or prepared in connection therewith, are the property of OWNER and shall be delivered to OWNER, if requested by OWNER, upon completion of services or upon termination of this Agreement. With respect thereto, CRIPE shall not assert or establish any right or claim under the design patent or

copyright law. CRIPE agrees that work done under this Agreement constitutes "work for hire" under copyright law, and OWNER shall retain the right to any design patent or copyright and may use any and all materials prepared by CRIPE without reservation. In the event that any deliverables developed during this project are deemed not to be "works for hire" under copyright law, CRIPE agrees, at no additional cost, to assign all right, title and interest, including copyright in and to such deliverables, to OWNER. OWNER will not change or reuse any document for any project or purpose other than as described in the Agreement without the written consent of CRIPE. However, CRIPE expressly acknowledges that OWNER is a public agency and is subject to public access, disclosure and distribution laws, regulations and policies. CRIPE acknowledges that OWNER will not treat this Agreement as confidential information and will post the Agreement on OWNER website as required by law. Use by the public of any document or the information contained therein, shall not be considered an act of OWNER.

ARTICLE 14. NOTICES

When written notice is required by this Agreement, it shall be sufficiently given, in the absence of a specific provision to the contrary, when delivered or sent by United States first-class mail to CRIPE at its business address, or to OWNER or OWNER's representative, or by personally delivering such notice to the party to be in receipt thereof.

ARTICLE 15. NONDISCLOSURE

Unless required by law, CRIPE shall not divulge information concerning this Project to anyone, unless prior written approval is received from OWNER, and shall obtain similar agreements from persons and firms employed by it. OWNER reserves the right to release all information as well as to time its release, form and content. This requirement shall survive the expiration of this Agreement.

Breach of this covenant may be regarded as a material breach of the Agreement.
- 20.2 CRIPE shall include all covenants and certifications as are contained in this Article in all subagreements related to this Agreement.

ARTICLE 21. APPLICABLE LAWS

- 21.1 Subject to the provisions of the following paragraph, CRIPE agrees to conform to all federal, state, and local laws, rules and regulations applicable to CRIPE in performing work pursuant to this Agreement in force at the time of design, including, but not limited to, those relating to discrimination in employment, conflicts of interest, accounting records and requirements. Unless otherwise specified, this Agreement shall be governed by the laws of the State of Indiana, and all Municipal Ordinances and Codes of the City of Greenfield and Hancock County.
- 21.2 Compliance with any state or federal statute or local ordinance enacted or regulations promulgated thereunder after the effective date of this Agreement for which notice had been published prior to the execution by CRIPE of this Agreement which affect the services of CRIPE shall be the responsibility of CRIPE without entitling CRIPE to an increase in either time of performance or in contract price.

ARTICLE 22. AMENDMENTS

This Agreement may be amended only by written instrument and signed by both OWNER and CRIPE.

ARTICLE 23. SEVERABILITY

In the event any provision of this Agreement is determined by a court of competent jurisdiction or by the laws of the State of Indiana to be null and void, such provision shall be stricken and all other provisions which can be given effect independently of the stricken provision shall remain in full force and effect.

ARTICLE 24. CONFLICT OF INTEREST

ARTICLE 26. INDEPENDENT CONTRACTOR STATUS

CRIPE expressly understands and agrees that it is an independent contractor and that it is not an employee of OWNER, and OWNER is not to provide Worker's Compensation, health or accident insurance coverage or indemnification agreement of any kind which would cover CRIPE or its employees, if any, in and under the terms of this Agreement.

- 33.2 Only after complying with the provisions of Paragraph 33.1, the parties may by mutual agreement in writing designate any DISPUTE, except for claims which have been waived by the making or acceptance of final payment, to be decided by arbitration. Such designation shall specifically identify and describe the DISPUTE. Arbitration proceedings shall be initiated only as to DISPUTES as so identified and described in such written agreement, and in accordance with the Construction Industry Arbitration Rules of the American Arbitration Association, and shall be specifically enforceable under the prevailing arbitration law. The award rendered by the arbitrators shall be final, and judgment may be entered upon it in any court having jurisdiction thereof.
- 33.3 CRIPE shall carry on the work and maintain the schedule for services during any mediation, arbitration or litigation proceedings, unless otherwise agreed by CRIPE and OWNER in writing.
- 33.4 Any such arbitration may, at the option of OWNER, involve by joinder or otherwise, all parties or persons substantially involved in common questions of fact or law whose presence may be required. All consultant agreements, purchase orders and related construction agreements between CRIPE and other parties shall provide for such arbitration and consolidation.

- 33.5 If OWNER shall be party to an arbitration of a DISPUTE which arises, in full or in part, from CRIPE's negligence or failure to fulfill any obligation or responsibility under this Agreement, OWNER may, at its option, and by written notice, advise CRIPE of such arbitration proceeding and afford CRIPE the opportunity to participate therein. In such case, CRIPE will be bound by any award rendered by the arbitrators to the extent that such award is adverse to OWNER.

ARTICLE 34. TERM OF AGREEMENT

This Agreement shall become effective upon completion of the following:

- A. delivery to OWNER and acceptance by OWNER, of the documents required in Paragraph 7.4; and
- B. latest date of execution by any required signatories;

and shall expire upon the successful completion and final acceptance of CRIPE's services, as set forth in this Agreement or "Attachment A", and OWNER's payment therefore. In computing any period of time prescribed by this Agreement, the date of any notice to proceed shall not be included in such computation. The last day of any period of time prescribed in this Agreement shall be included unless it is a Saturday, Sunday or a legal holiday as established by ordinance of the City Council of Greenfield, Indiana. In such cases, the period of time shall run until the end of business hours of OWNER on the next day that is not a Saturday, Sunday, or a legal holiday as established by ordinance.

ARTICLE 35. NOTICE TO PROCEED

CRIPE shall not begin work pursuant to this Agreement until it receives a Notice to Proceed from OWNER.

ARTICLE 36. INTEGRATION

This Agreement and the documents incorporated herein represent the entire understanding between and among the parties hereto. The signing of this Agreement by the parties constitutes their mutual recognition that no other contracts or agreements regarding any of the services to be provided herein, oral or written, except as attached hereto or specifically incorporated herein, exists between them, and that if such oral or written contracts or agreements exist, such are hereby cancelled. Each party hereby represents to the other that it will not rely upon any agreement, contract or understanding not reduced to writing and incorporated in this Agreement prior to the execution thereof or not reduced to writing and incorporated in written amendments to this Agreement.

ARTICLE 37. DEBARMENT AND SUSPENSION

- 37.1 CRIPE certifies, by entering into this Agreement, that neither it nor its principals are

presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from or ineligible for participation in any Federal assistance program by any Federal department or agency, or by any department, agency or political subdivision of the State of Indiana. The term “principal” for purposes of this Agreement means an officer, director, owner, partner, key employee, or other person with primary management or supervisory responsibilities, or a person who has a critical influence on or substantive control over the operations of CRIPE.

- 37.2 CRIPE shall not subcontract with any party which is debarred or suspended or is otherwise excluded from or ineligible for participation in any Federal assistance program by any Federal department or agency, or by any department, agency or political subdivision of the State of Indiana.
- 37.3 CRIPE shall provide immediate written notice to OWNER if, at any time after entering into this Agreement, CRIPE learns that its certifications were erroneous when submitted, or CRIPE is debarred, suspended, proposed for debarment, declared ineligible, voluntarily excluded from or becomes ineligible for participation in any Federal assistance program. Any such event shall be cause for termination of this Agreement as provided herein.

ARTICLE 38. E-VERIFY PROGRAM

Pursuant to IC 22-5-1.7, CRIPE shall enroll in and verify the work eligibility status of all newly hired employees of CRIPE through the E-Verify Program (“Program”). CRIPE is not required to verify the work eligibility status of all newly hired employees through the Program if the Program no longer exists.

- A. CRIPE and its subcontractors shall not knowingly employ or contract with an unauthorized alien or retain an employee or contract with a person that CRIPE or its subcontractor subsequently learns is an unauthorized alien. If CRIPE violates this Article, OWNER shall require CRIPE to remedy the violation not later than thirty (30) days after OWNER notifies CRIPE. If CRIPE fails to remedy the violation within the thirty (30) day period, OWNER shall terminate the contract for breach of contract. If OWNER terminates the contract, CRIPE shall, in addition to any other contractual remedies, be liable to OWNER for actual damages. There is a rebuttable presumption that CRIPE did not knowingly employ an unauthorized alien if CRIPE verified the work eligibility status of the employee through the Program.
- B. If CRIPE employs or contracts with an unauthorized alien but OWNER determines that terminating the contract would be detrimental to the public interest or public property, OWNER may allow the contract to remain in effect until OWNER procures a new contractor.

- C. CRIPE shall, prior to performing any work, require each subcontractor to certify to Contractor that the subcontractor does not knowingly employ or contract with an unauthorized alien and has enrolled in the Program. CRIPE shall maintain on file a certification from each subcontractor throughout the duration of the contract. If CRIPE determines that a subcontractor is in violation of this Article, CRIPE may terminate its contract with the subcontractor for such violation
- D. Pursuant to IC 22-5-1.7 a fully executed affidavit affirming that the business entity does not knowingly employ an unauthorized alien and confirming CRIPE's enrollment in the Program, unless the Program no longer exists, shall be filed with OWNER prior to the execution of this Agreement. This Agreement shall not be deemed fully executed until such affidavit is filed with OWNER

ARTICLE 39. ADDITIONAL INFORMATION UPON REQUEST

CRIPE shall, upon request of OWNER, make available its policies, practices and standards for the hiring of applicants, except as prohibited under Indiana Code 22-2-17-3, to the extent such information is related to the provision of services under this Agreement.

ARTICLE 40. WAGE THEFT/PAYROLL FRAUD

CRIPE shall report, and shall require its subcontractors to report, all complaints or adverse determinations of Wage Theft or Payroll Fraud against CRIPE or its subcontractors to the OWNER within thirty (30) days of notification of the complaint or adverse determination. If an adverse decision is rendered against CRIPE with respect to services provided to OWNER, OWNER may terminate this Agreement, reduce the incentives or subsidies to be provided under this Agreement, or seek other remedies. CRIPE shall provide a sworn statement on whether CRIPE had any adverse determinations rendered against CRIPE within the preceding three (3) years.

ARTICLE 41. FORCE MAJEURE

41.1 DEFINITION OF FORCE MAJEURE

Within this Agreement, an event of Force Majeure means an event beyond the control of the CRIPE and the OWNER, which prevents a party from complying with any of its obligations under this Agreement, including the following:

- 41.1.1 An act of God (such as, but not limited to, fires, explosions, earthquakes, drought, tidal waves and floods);
- 41.1.2 War, hostilities (whether war be declared or not), invasion, active foreign enemies, mobilization, requisition or embargo;

- 41.1.3 Rebellion, revolution, insurrection, or military or usurped power, or Civil War;
- 41.1.4 Riot, commotion, strikes, lockouts or disorder, unless civilly restricted to employees of the Cripes or his subcontractors or vendors;
- 41.1.5 Acts or threats of terrorism.
- 41.2 Consequences of Force Majeure Event
 - 41.2.1 Neither the OWNER nor CRIPE shall be considered in breach of this Agreement to the extent that performance of their respective obligations is prevented by an Event of Force Majeure that arises after the Effective Date.
 - 41.2.2 The Party (the "Affected Party") prevented from carrying out its obligations hereunder shall give notice to the other Party of and Event of Force Majeure upon it being perceived by or becoming known to the Affected Party.
 - 41.2.3 If, and to the extent that, the CRIPE is prevented from executing the services contemplated by the Agreement, by the Event of Force Majeure, while the CRIPE is so prevented, the CRIPE shall be relieved of its obligations to provide the effective service, but shall endeavor to continue to perform its obligations under the Agreement so far as reasonably practical [and in accordance with Good Operating Practices], provided that if and to the extent the Cripe occurs additional expense in doing so, the Cripe shall be entitled to the amount of such increase cost [cost being defined as having no profit component] and the Cripe having taken reasonable steps to mitigate the additional cost.
 - 41.2.4 If, and to the extent that, the CRIPE suffers a delay in providing the services set forth in this Agreement as a result of the Event of Force Majeure then CRIPE shall be entitled to an extension for the time of completion as deemed appropriate by OWNER.

MEDIATION PROCESS

1. Purpose of Mediation. This clause provides for the use of Mediation as an alternative means of resolving disputes which may arise under this Agreement. Mediation allows parties to make an educated assessment of their respective cases, and then engage in a negotiated settlement discussion. Such a procedure can save both parties valuable time, resources, and legal costs. Should Mediation be utilized, a Mediation Agreement shall be drafted and adopted which will set forth the governing procedures and terms.
2. When to Invoke Mediation. If a dispute arises under the Agreement, either party may invoke this Mediation clause which will compel participation in Mediation for the purpose of resolving the dispute, provided all of the following conditions have been fulfilled:
 - a. The amount in controversy exceeds **Ten Thousand and 00/100 Dollars (\$10,000.00)**, or other such amount as may be agreed to by the parties in writing, such amount having been determined by both parties as being the minimum disputed claim to justify use of the Mediation procedure;
 - b. Personnel from each party who were directly involved in the dispute at the operational level met and discussed the claim in good faith, but were unable to resolve the matter. The personnel of each party shall prepare and forward to the persons identified in the subparagraph 2(c) memorandum detailing the areas of dispute, why impasse was reached and that it is beyond their ability to resolve the dispute;
 - c. After complying with the subparagraph above, personnel from each party at a higher management level who were not directly involved in the dispute met and discussed the claim in good faith, but were unable to resolve the matter. The personnel of each party shall prepare and forward to the persons identified in paragraph 3 a memorandum detailing the areas of dispute, why impasse was reached and that it is beyond their ability to resolve the dispute; and
 - d. Written notice was given to the other party stating that the above subparagraphs were complied with, and that the Mediation procedure is being invoked for the purpose of resolving the dispute.
3. Notice of Mediation. Notice of Mediation shall identify the dispute at issue and designate an executive officer or other management official who will represent the party at the proceeding. The designated official must possess the authority to settle the matter and have not been involved in the underlying facts in dispute.

4. Response to Notice of Mediation. Within ten (10) business days, the other party shall designate an appropriate official with authority to settle the dispute who will be its representative at the Mediation.
5. Scheduling. No later than thirty (30) days from the date of the notice of the Mediation, the parties' designated representatives and/or their attorneys shall meet to discuss the following:
 - a. Settlement status of the dispute;
 - b. Schedule by which drafts of a Mediation Agreement are to be submitted, and a date by which the Mediation Agreement will be finalized;
 - c. Schedule for Mediation discovery and other preparatory matters the parties deem necessary;
 - d. Whether a neutral advisor shall be employed in the Mediation and, if so, by what means he shall be selected; and
 - e. Time, place, and schedule of the Mediation.

The Mediation Agreement will be finalized and executed by both parties no later than sixty (60) days after the notice of the Mediation. The Mediation will be held within one hundred twenty (120) days after the notice of the Mediation unless extended by mutual consent of the parties.

6. Mediation as Condition Precedent to Arbitration or Litigation. Submission of a dispute under this Agreement to a Mediation procedure shall be a condition precedent to filing arbitration or litigation on any dispute exceeding the amount specified above. Failure to comply with this condition precedent shall be in contravention of the parties' express intention to implement this alternative means of dispute resolution and constitute a breach of this clause.
7. Refusal to Participate in Mediation. Refusal of a party to participate in mediation in good faith shall not be established unless:
 - a. All of the specified conditions set forth in paragraph 2 herein have been fulfilled;
 - b. Thirty (30) days have lapsed since initial written notice of the Mediation was given without an affirmative response; and
 - c. Refusal to participate in the Mediation shall be in contravention of the parties' express intention to implement this alternative means of dispute resolution and constitutes a breach of this clause.

8. Filing Arbitration or Litigation. No litigation or arbitration or any other binding action shall be initiated by either party unless:
- a. The amount in controversy is less than or equal to the amount specified paragraph 2 above;
 - b. Despite compliance with this Mediation clause, one party is deemed to have refused (paragraph 7 above) to participate in the Mediation;
 - c. Both parties agree in writing that they intend not to implement the Mediation for the particular dispute in question;
 - d. The Mediation procedure has been completed and thirty (30) days have elapsed since the actual Mediation; or
 - e. Litigation must be filed before the Mediation to comply with the Statute of Limitations on a disputed issue.
9. Dismissal/Stay of Litigation. If one party has filed litigation on a dispute which is otherwise covered by this Mediation clause and which does not meet the exceptions set forth in paragraph 8 herein, the other party may properly seek to dismiss the litigation at its discretion for the purpose of conducting the Mediation as a condition precedent to litigation. If litigation was filed for the purpose set forth in subparagraph 8(e) herein, the filing party shall seek a stay for the purpose of conducting a Mediation. The stay provided for in this Paragraph shall continue for a period of thirty (30) days after completion of the Mediation. The purpose of this thirty (30) day period is to permit the parties full opportunity to discuss settlement.
