Wanted to follow-up and see if ya'll had any interest in taking a look at these sites for us? Let me know if ya'll need anything else in prepping a quote.

The City of Greenfield is accepting quotes, as discussed prior, to perform boundary/location surveys of the project sites listed below. We would like to include having corner monuments set in the field as well as have the existing buildings located/depicted on the necessary documentation.

If you are interested, please forward your quote and general timeline by end of day Monday 07/07/2025. We're basically putting numbers together at this point.

COG Girl Scout House (upcoming projects)

230 W. North Street

COG City Hall (Keith McClarnon Government Center - variable past/future projects)
10 So. State Street
Greenfield, IN. 46140

COG Fleming Building (upcoming demolition/site development projects)
18-20 W. South Street
Greenfield, IN. 46140

COG Riley Substation (upcoming projects)
