### **Re: Out of State Travel**

Honorable Mayor Titus and Board Members,

I am requesting that the Board of Works and Public Safety approve the out of state travel for Pat Byerley on October 5<sup>th</sup> – 9<sup>th</sup>, 2025. Pat will be attending the Survalent Global User Conference in Broomfield, Colorado. This conference provides educational sessions in which Pat will gain valuable information about crucial topics, including SCADA cybersecurity, management of distributed energy resources, improving reliability through automated fault restoration, integration of AI for advanced distribution and fault analytics, and gain practical information on ADMS (Advanced Distribution Management Systems) SCADA systems that can be applied within utilities. Pat has attended this conference in the past, which has enabled him to connect with a network of professionals in similar roles along with being asked to join Survalent's User Advisory Committee to help shape upcoming enhancements to Survalent's SCADA software. The total cost for the out of state travel would be in the not to exceed amount of \$2000.00.

Sincerely,

Scott Yost  
Electric Utility Manager

cc

**Attending:** Pat Byerley

**When:** October 5<sup>th</sup> – 9<sup>th</sup>

**Where:** Broomfield, Colorado
