Re: Spare Substation Reclosers

Honorable Mayor Titus and Board Members,

Greenfield Power & Light has two (2) operating substation reclosers that were decommissioned with the old Riley Substation, with a depreciated value of \$0.00. Wabash Valley Power contacted GP&L with interest to purchase them for their substation equipment. With the Board's approval I would like to surplus the reclosers at an estimated value of \$8,500.00 each and offer them for purchase to Wabash Valley Power.

Sincerely,

Scott Yost
Electric Utility Manager
