Re: Request to seek bids to replace South Street water main

Mayor and Board Members,

I am requesting the Board's permission to seek bids to replace the cast iron water main on South Street from Pennsylvania to just west of state road. We are seeking to bid this job due the restrictions on this street. This project will need to be completed prior to the new city garage beginning construction. This project will be paid for from depreciation funds.

I welcome any questions the Board may have on this recommendation.

Respectfully Submitted,

A handwritten signature in black ink, appearing to read "Charles Gill".

Charles Gill
Water Utility Manager
