April 13, 2021 BOW Agenda

To: Board of Works and Safety
Mayor Chuck Fewell

From: Chief Brian D Lott

I respectfully request board approve for the follow agenda items:

1. Cardiac Monitor Purchase

-We purchase direct from the manufacturer. With the service agreement, we get discounted prices that authorized sellers cannot match or beat.

-To work on the Lifenet system that we already have, it must be Stryker Physio-Control cardiac monitor. Supervising hospital requires transmission of EKG through the Lifenet system (they pay for the service).

-We have a service contract for Stryker Physio-Control equipment currently.

-We will review the specs during the meeting and then ask for approval to purchase.
