Board of Public Works & Safety
10 South State Street
Greenfield, IN 46140

Dear Members,

Attached is a General Utility Easement Jeff and ConnieJo Harris located at 949 N State St. This easement will be used to build a new/relocated storm sewer that will parallel SR 9 and a relocated water line along the property line of Ye Olde Head Shoppe and Hancock Regional Hospital. The relocations were a part of an improvement project to replace and upsize the old storm line in SR 9 that is failing as a part of the larger INDOT SR 9 resurfacing project.

I would like to request that the Board approve and accept the General Utility Easement as presented. My office will record the documents with the County once it is signed and accepted.

Sincerely,

A handwritten signature in black ink that reads "Jason Koch". The signature is written in a cursive, flowing style.

GENERAL UTILITY EASEMENT

THIS INDENTURE WITNESSETH that JEFFREY A & CONNIE JO HARRIS ("GRANTOR"), of Hancock County, Indiana, hereby grants and conveys to the CITY OF GREENFIELD, of Hancock County, Indiana, ("GRANTEE"), a general utility easement together with all devices and appurtenances necessary for the proper construction or operation of its utilities, across and under the surface of the following described real estate located in Hancock County, Indiana:
