Re: Windswept Road Lift Station – Pump Replacement

Mayor and Board Members,

One of the pumps in the Windswept Road lift station failed and needs to be replaced. Xylem Water Solutions is the distributor for Goulds pumps in and provided the attached quote. The total for the pump is \$4,892.00, including freight.

At this time, I am requesting that the Board approve the purchase of the pump from Xylem Water Solutions in the amount of \$4,892.00. Please let me know if you have any questions or if any other information is needed at this time.

Best Regards,
