Re: St. James North Lift Station – Pump Replacement

Mayor and Board Members,

One of the pumps in the St. James North lift station failed and needs to be replaced. BBC Pump and Equipment is the distributor for Hydromatic pumps in Indiana and provided the attached quote. The total for the pump is \$7,275.00, including freight.

At this time, I am requesting that the Board approve the purchase of the pump from BBC Pump and Equipment in the amount of \$7,275.00. Please let me know if you have any questions or if any other information is needed at this time.

Best Regards,

Nicholas Dezelan, CHMM, ASP
