To Whom It May Concern:

Please accept this as my official letter of resignation from my position as Animal Control Officer with the City of Greenfield. My last day will be Friday, December 24th, 2021. I am grateful for the opportunity to have worked for the City Of Greenfield Animal Management. Please know that this was a difficult decision for me, but it is one that I have to make as an opportunity has presented itself that works better for my family and me. I have enjoyed working with my colleagues and serving the needs of Hancock County's animal population. I wish Animal Management and the City of Greenfield all the best in the future.

Sincerely,

A handwritten signature in black ink, appearing to read "John Templeton", with a long horizontal line extending to the right.
