Note: Current legislation states of January 4th, 2014 it will be illegal to sell or install any items that are leaded brass in sizes 2" and below for use with potable water. Manufacturers have been making this conversion since this legislation was passed. UPSCO will be implementing the following changes effective as of January 2, 2013. Any leaded brass order will be special ordered for our customers, but will be non-cancellable and non-returnable. UPSCO cannot accept leaded brass returns for credit or exchange. This matches the policies of our brass suppliers. As of June 1, 2013 brass product manufacturers will stop manufacturing leaded brass products & no leaded brass items will be purchased by UPSCO. Utility Pipe Sales Co.
