Re: Promotion – Amber Gray

Mayor and Board Members,

Amber Gray has recently obtained her Class II Wastewater Operators Certification. When Amber was hired, one condition that she had to meet in order to be promoted to the Junior Operator II position was to obtain her Class II certification. Amber has also quickly picked up on the day to day operations of the WWTP and the WWTP lab, both of which were also conditions of earning the promotion to Junior Operator II.

At this time, I am requesting that the Board approve the promotion of Amber Gray to the Junior Operator II position at an hourly rate of \$29.62 effective with the pay period beginning November 12, 2022. A copy of her current certification has been included with this request. Please let me know if there are any questions or if any other information is needed regarding this request.

Best Regards,

Nicholas Dezelan, CHMM, ASP
