Greenfield, IN 46140

Re: Materials for Stock

Mayor and Board Members,

We have a couple rehab projects that we would like to begin working on over the winter. Given the volatility of material pricing, I'd like to go ahead get the materials ordered. We requested pricing for these materials from Utility Pipe Sales and Core & Main. The total cost from Core & Main \$28,084.29 and the total cost from Utility Pipe Sales is \$30,209.24. The cost for the "bolt down" manhole castings from Utility Pipe Sales was lower, but they are not able to provide the "City of Greenfield Sanitary" bolt down covers with the castings.

At this time, I am requesting that the Board approve the quote provided by Core & Main in the total amount of \$28,084.29. Both quotes have been included for your review. Please let me know if there are any questions or if any other information is needed regarding this request.

Best Regards,

Nicholas Dezelan, CHMM, ASP
