Dear Chief Horning,

Please except this as my official letter of resignation from my part-time position of Firefighter/EMT at Greenfield Fire Territory, effective two weeks from today's date, 04/26/2023.

I have had an excellent experience working for the City of Greenfield. I am thankful for all the opportunities for growth and experience I have received during my employment. As I start full-time employment elsewhere, I will cherish the time I have spent here.

Respectfully,

Logan Cicenas
