Re: Authorization to seek Mower quotes

Mayor and Board Members,

The Water Utility is seeking to replace our current Treatment Plant mower with a larger unit to save time on mowing our facilities. The existing mower is a 2011 John Deere 910A 48".

I request the board to approve the Utility to seek quotes for this replacement mower as presented. This purchase will be made from the Utility Depreciation account. I am happy to answer any questions that the Board members may have.

Respectfully Submitted,
