Greenfield, IN 46140

Chief Horning,

Please accept this letter as my resignation from my position as Firefighter/Paramedic at GFT. Since I have no upcoming shifts scheduled, this is effective today (2/1/24).

I want to be transparent about why I'm leaving and that is solely due to the lack of time I can provide. I've been trying to balance working three different places of employment on top of caring for two children as a single father- this has proved to be difficult.

I will always remember Greenfield as home. GFT has some of the best men and women I've ever come across and it is a great department! I know you will continue to improve the department in many ways as a great chief. Thank you for all you have done.

I do want to leave on good terms in case of future employment opportunities. Let me know if there are any questions or concerns.

Respectfully,

Damon Mack

A handwritten signature in black ink that reads "Damon Mack". The signature is written in a cursive style with a long horizontal stroke extending to the right.
