ADDENDUM # 1

To All Bidders:

The following modifications and interpretations to the Drawings and/or Project Manual for the above referenced project shall be included as part of the Bidding Documents.

The information contained herein modifies the original Bidding Documents and all prior Addenda as applicable. Requirements of the original Bidding Documents and previous Addenda remain in effect except as modified by this Addendum.

Acknowledge receipt of the Addendum by signing and returning the attached form with the Bid Submission Forms.

BID DOCUMENT AND SPECIFICATIONS MODIFICATIONS:

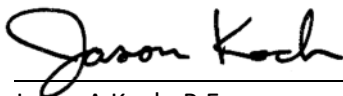

ITEM NO. 1 – Modify Section 8, Delivery, to clarify desired delivery time

ITEM NO. 2 – Add technical specification for 7' Cat Condo Assembly

ITEM NO. 3 – A revised Price Sheet to modify the quantities of kennel gates

ITEM NO. 4 – A revised Quantity Summary by Room to modify the quantities of kennel gates

Certified by:

Jason A Koch, P.E.
Greenfield City Engineer

ITEM NO. 1: Modify Section 8 of the bid request to read as the following (highlighted section is the changed wording).

8. Delivery

Unless otherwise agreed to by the City, delivery ~~shall be within five (5) calendar days~~ is desired on or before **March 1, 2022** and after receipt of a valid order. All deliveries shall be made Monday through Friday during normal business hours (official holidays excluded) unless other prior arrangements are made. Vendor shall adhere to any other delivery policies (e.g. notification, etc.) as may be required by the department or agency. Vendor may not be compensated or reimbursed for goods acquired or services provided prior to the issuance of a valid purchase order.

ITEM NO. 2: Add the following technical specification in Section 22.1 CAT CONDOS:

- b1) 7' Cat Condo Assembly
 - (1) This assembly should be able to house four (4) cats
 - (2) Width of this assembly shall be 84" when the component modules are fully assembled
 - (3) Depth of assembly shall be between 28" and 30"
 - (4) Height of assembly shall be stacked two (2) modules high and shall be between 66" and 78" high, inclusive of the required casters
 - (5) Assembly shall include a litter area module of 12" to 24" wide x 30" to 36" height
 - (6) Assembly shall include a sleep/exercise module of 24" to 42" wide x 30" to 36" height and include a perching shelf
 - (7) Litter module and sleep/exercise modules shall be connected together by an appropriate sized portal that can be opened or closed by staff for cleaning. These modules can be connected horizontally or vertically
 - (8) Assembly shall be mobile, on appropriately spaced casters
 - (9) Assembly shall be composed of a durable material such as stainless steel or PVC and shall include a raised edge at the doors to prevent fluid runoff
 - (10) Doors shall be vented tempered glass, stainless steel wire grid, or combination thereof

ITEM NO. 3: Revised Price Sheet (highlighted items are changes from original request)

23. Price Sheet

All pricing shall be in United States Dollars (USD)

Note: All shipping/delivery charges are to be included in the unit cost, unless noted below.

23.1 Literature

Please submit official manufacturer's literature regarding all items offered with the bid.

23.2 Warranty

Unless otherwise indicated in the specifications, the minimum warranty required by the City for the entire unit is one (1) year from the date of acceptance. (If the manufacturer offers a full or limited warranty that is in excess of one year, the City shall take full advantage.) The minimum one-year warranty shall cover all parts and labor for defects in materials and workmanship. **Please attach warranty statement(s) or submit within three days of bid opening.**
