

Dear Program Participants,

The Greenfield Parks and Recreation Department will begin accepting applications for our Preschool ages 3-5 programming on **Feb 5, 2021** (for returning participants). Due to the fact that your child participated in the program this past year, we are giving you first notice on registration for next year. However, this may not guarantee your child a spot in our program. Registrations will be taken on a first come, first serve basis.

Registration opens to the general public on February 22, 2021. Children must be age three (3) through five (5). Participant’s parents/guardians are required to have a copy of each participant’s birth certificate at the time of registration. Also, families will need to complete the remaining documents in the registration packets. Early priority registration is only available by filling out a registration packet and submitting it back to your teacher or the parks office along with the registration fee.

You may pay your first payment at the time of registration or at the Parent only Orientation meeting (July 28, 2021 at 7:00 PM.) Monthly payments can be paid online. Please note that you are signing up for the entire program duration. As you are aware of, this is a self-sustaining financial program. If you leave the program early, you are still responsible for program payments.

Please do not register if you think that there is a chance you would not be able to make payments at any time during the program. Any decision made by Greenfield Parks and Recreation is final.
