

# APPLICATION FOR APPROVAL OF A SUBDIVISION City of Greenfield

## Greenfield Plan Commission Subdivision Checklist

The following items must be submitted before a petition to the Plan Commission can be scheduled for public hearing. Any questions regarding these items should be directed to the Plan Commission office at 477-4320.

- Application Form - One completed petition form with original signature.
- Legal Description.
- Primary Plat:
  - Proposed name for the subdivision location/key map;
  - Location by civil township, section, township and range, or by other legal description;
  - Name and address of the subdivider;
  - Name, address and registration number of the surveyor;
  - Scale, northpoint and date;
  - Boundary lines;
  - If the plan is a replat, original plat line;
  - Boundary lines of adjacent tracts of unsubdivided or subdivided land, showing ownership where possible;
  - Existing zoning of the proposed subdivision and adjacent tracts. If the subdivision is in a dwelling district and utilizing the cluster option, it shall be clearly noted as such;
  - Contours based upon the U.S. Coast and Geodetic Datum or U.S. Geological Survey Datum bench marks at one-foot vertical intervals, or current technological capabilities, showing clearly by flow lines and arrows the drainage pattern of surface water, both natural and proposed, within and through the area proposed to be platted, the location and elevation of such bench marks to be shown thereon;
  - All existing permanent features either natural or manmade that may influence the design of the subdivision, included but not limited to, watercourses, tree groves, swamps, wetlands, sewers, water mains, culverts, utility lines, and fire hydrants. Where underground utilities exist within or adjacent to the tract, the approximate location, pipe size, and direction of flow shall be indicated;
  - The location, width, and names of all existing or prior platted streets or other public ways, railroad and utility rights-of-way parks and other public open spaces, permanent buildings and structures, permanent easements, and section and corporate lines on or within 200 feet of the subdivision;
  - Total acreage within the project and the number of residential dwelling units or the gross square footage of non-residential buildings whichever is applicable;
  - Layout of lots, showing dimensions, building setbacks, lot numbers and area in square feet of each lot. In new developments, lot numbers shall be consecutive within each section or phase, and may not be repeated in subsequent sections or phases within a subdivision;
  - Layout of streets, widths of rights-of-ways, proposed cross sections or roadways, and also the widths of cross-walkways and easements;
  - Parcels of land intended to be dedicated or temporarily reserved for public use or set aside for use of property owners in the subdivision:
    - Not less than 15% Common Open Space (excluding impervious surfaces) shall be provided. Drainage ponds, play areas, common areas, and the like may apply toward this provision;
  - Apparent right-of-way;
  - Flood zone statement with FIRM map number and date;
  - Drainage plan in conformance with the city drainage regulations;
  - Feasibility report in conformance with the city sewage disposal and drainage regulations;
  - Street Lights; and
  - Delineation of the phases of the site.
